12. GRANT REDUCTION (— ARTICLE 28)

Poor, partial or late implementation of the project may be established by the National Agency on the basis of the final report submitted by the beneficiary and from reports from participants taking part in the activities.

The National Agency may consider information received from any other relevant source, proving that the beneficiary is in breach of obligations under the Agreement. Other sources of information may include monitoring visits, accreditation interim reports, desk checks or on-the-spot checks undertaken by the National Agency.
